WARNING.

If you want to get the best prices for your cattle or poultry, your stock must be clean. A great deal has been said about using lime and sulphur, but the use of that preparation practically brands the animal as mangy stock. When you use

CHLORO-NAPTHOLEUM DIP

you not only eradicate all diseases from cattle or poultry, but you kill lice and vermin and restore the flesh to its normal condition. We ship five gallons of CHLORO-NAPTHOLEUM DIP at $6.75 : ten gallons at $12.50 : barrels at $1.00 per gallon, and each gallon wil make from 35 to 75 gallons of dipping solution.

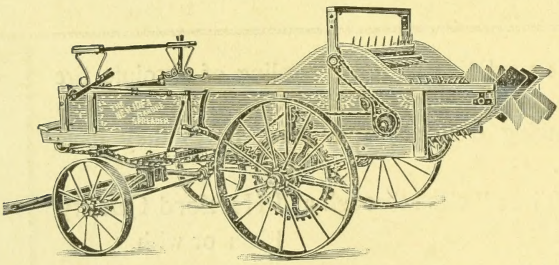
There's a Reason **Ask us about it**

THE "NEW IDEA" MANURE SPREADER



Has a straight all chain drive, without cog or clutch, constructed with solid bottom, reach and pole; tracks same as a wagon—lighter draft; pulverizes and spreads one-third wider than any other machine on the market.

The amount of manure desired distributed is easily regulated by a lever alongside of the operator. Parties who own the "New Idea" and those who have seen it at work, declare it the most wonderful, simple and perfect machine and "par excellence" of all others

We also handle the

Blizzard Blower, Boss Potato Digger, Wood Saws, Threshing Machines, Litter Carriers, etc.
